

Woh jo bekhauf mohabbat ka
Hunar deta hai haan hunar deta hai
Haan wahi shaks bichadne
Kabhi darr deta hai haan darr deta hai
Woh jo bekhauf mohabbat ka
Hunar deta hai haan hunar deta hai

One night, one love,
Two hearts, feeling together
One night, one love,
Two hearts, together forever yeah

Pyaar bhar deta hai

Udne ki tamanna dil mein
Pyaar bhar deta hai
Udne ki tamanna dil mein
Aur mere pankh bhi
Pathar ke woh kar deta hai
Woh jo bekhauf mohabbat ka
Hunar deta hai haan hunar deta hai

Mere hisse ke khudagum
Tum mujhe milte hain
Mere hisse ke khudagum
Tum mujhe milte hain
Mere hisse ki tu
Sab khushiyan kidar deta hai
Woh jo bekhauf mohabbat ka
Hunar deta hai haan hunar deta hai

One love, one life,
One word and thats what it is
Two hearts, two lives, together

Rishta hi pyaar ka hota hai ye kaisa rishta
Rishta hi pyaar ka hota hai ye kaisa rishta
Tanha duniya se jo ladhne ka jigar deta hai
Woh jo bekhauf mohabbat ka
Hunar deta hai haan hunar deta hai
Haan wahi shaks bichadne

Kabhi darr deta hai haan darr deta hai

One night, one love

Two hearts, feeling together

One night, one love,

Two hearts, together forever yeah.
