

Belagina Jaavada Lyrics

Belagina jaavada kanaseno eeke
Ilidale manasige daari thappabeke
Olavina amalige dayamaadi nooke
Noothana daalige baliyaagabeke

Chaliside edeyali muddaada bellimoda
Berethide usirali nee gunugo preethi haada
Naachalu kalithane cheluvaantha channegauda
Dochalu summane kannaka beda

Langa daavaniyalli muddaagoule puttmalli
Majubhoothaagide premaavali
Ee jodi kannalli bittanthe rangoli
Balu joraagide pandyaavali

Beegara oota haakisibidla kuttigege mooru gantaaki
Oorthumba hachchisibidla ottige saalu pataaki
Mandyada haida majunune aada
Alemaneya belldachge beragaagoda

Ninnanu nodalu jodetthu hooguduthaava
Hoogale illade hejjenu sihi koduthaava
Thattane kopisi chittenu too biduthaava
Giligalu gumpali kani keluthaava

Sobaane ennire muddu gaurige
Panneera hoo chelli
Shreegandha poosi aarathi etthire
Naachali chendulli

Belagina jaavada kanaseno eeke
Ilidale manasige daari thappabeke
Olavina amalige dayamaadi nooke
Noothana daalige baliyaagabeke

Thunthuru maleyali nendantho yeno bhaasa
Nanna hrudayave ninna ee poorna vilaasa
