

Benz Song Lyrics

Crusing in a benz i get everything i need
Gaane saare trend kare kya mein aladin?
Chote underground ko mein laya mainstream
Sab se aalag sound mera sab se baadi team

Crusing in a benz i get everything i need
Gaane saare trend kare kya mein aladin?
Chote underground ko mein laya mainstream
Sab se baada sound meri sab se baadi team

Drip heavy jaani you know mera scene tight
Trip heavy and i'm loosing in meanwhile
I can always make a milli when i feel like
I let you drink par meri drink kahan hai?

Kaise bayan kare khud ko kiya zabaan kahein
Kaise muqam par woh dilo ko makaan kahein
Logo ka liye jeena to aasan karein
Yeah! Aasan karein

Baby you know my all secrets
You so toxic that i need a reset
Always fly like a g6
She wanna party every weekend

Verse sab addictive hai qalam mein aafheem
Mout barhaq hai still getta keep the thing
Shehar poora kingdom hai rooling like a king
Bhai kare shine meri chains kare bling

Jokhay ab bhi saath hai par life hogyi change
South bethe north ko hilade dekho range
Aaj bhi tou maa nazar utaare

Jab bhi hum safar pe jaa rahe
Usko khabar kitne khaar khaa rahe
On the low low

Saalon saal se hai saath yehi do log
Real talk meri jaan baatein do took
Wip aur kuttey dono german
Like i'm in the war-zone
Phir bhi chill wala fire up my spliff

Crusing in a benz i get everything i need

Beqaraari jab bhi gaane phenkun freestyle
Fu*k a party in a minute gotta g-side
Meri kahaniyan alag always needs me time
I be loosing all my brothers in a street fights

Zindagi ik loop aur hum bhaage issi loop main
Nishane nai choonkte tou badle humne roop yeh
Shayari mashooq baani jurenge sab toot ka
Bhaari yeh wujood mera badalon se poochle

Bags full need a team to count
New wip for my dad new bank accounts
Same hood same beef same tunes to bound
Wohi yaar alag strange aana ounce hi ounce

Crusing in a benz i get everything i need
Gaane saare trend kare kya mein aladin?
Chote underground ko mein laya mainstream
