

Bepanaahh Lyrics

Haan karni hai tujhse
Ab dil ki baatein
Tu sun zara le

Haan mujhko bhi zara
Tu aazmaa le
Ab aa satane

So just stop pushin me
Showing you know I can drive you all
I can see it in your eyes
You want more

Yeh baby aaja mere paas
Kuch hua yeh ehsaas

Ab naa jaane de is raat ko

Tujhe chaahoon bepanaahh
Mujhe apna le bana
Tujhe dhundhe dil mera
Aa zara le le tu maza

Haan nazro se tujhko bulau
Haan zara pas tu aa jaana
Tere bina meri sunni hai yeh raahein
Tu zara saath nibha jaa na

Katil moves
Baby want you set the mood
Aint you want me
What you do
You know what we about to do

So just stop pushin me
Showing you know I can drive you all
I can see it in your eyes
You want more
