

Aaja tujhpe main rakh doon chand ko
Is tarah paaloon tere aasmaan ko
Baadalon sa main ban ke har jagah tujhse mil ke

Betahasha, betahasha tujhko chahun main
Betahasha, betahasha, tujhko chahun main
Pehle se thoda jyada, tujhko hi chahun main
Haayeee...

Tum hanso to jaane mujhko kyun khusi milti hai
Haa.. Tum hanso to jaane mujhko kyun khusi milti hai
Tum jo rutho yaara meri aankhe bhi roti hai
Tujhse hi to main chal ke ruk gaya teri hadoo pe

Betahasha, betahasha tujhko chahun main
Betahasha, betahasha, tujhko chahun main
Pehle se thoda jyada, tujhko hi chahun main
Haayeeee...

Tum subah ke saare sapne jo bhi sach hote hai
Haa... tum subah ke saare sapne jo bhi sach hote hai
Tum ko hi rakh ke siwa main raat bar sote hai
Dhoop sa kabhi bankar aa milun aa mere subah se

Betahasha, betahasha tujhko chahun main
Betahasha, betahasha, tujhko chahun main
Pehle se thoda jyada, tujhko hi chahun main
Haayeeee...
