

Tedhe mere raaston ko  
Seedha main bana doon  
Mujhe jo sikhaane aaye  
Usse main sikha doon  
Bharatlyrics.com  
Who the hell are you to  
Tell me what to do  
You better not mess with me  
Mere dil mein jo aaye  
Woh main karoon  
You better not mess with me  
Kisi se bhi aakhir haan  
Main kyun daroon  
Just leave me alone  
I wanna be on my own  
Kyun chhup rahoon  
Main kyun sab sahoon

Jo bhi chaaha na mila  
Toh maine usse cheena  
Keh diya toh dil mein  
Aaya honthon ko kya seena  
Who the hell are you  
To tell me what to do  
Mujhe hai pasand  
Bas issi tarah jeena  
Better not mess with me  
Meri saanson mein bada zor hai  
Just leave me alone  
I wanna be on my own  
Kyun chhup rahoon  
Main kyun sab sahoon

Khuda hai aasma jisme  
Main bandh hoon  
Apne bas mein nahin  
Lekin bas mein hi hoon  
Mere andhar mere  
Andhar ik toofan hai  
Mere andhar mere

lyrics

Andhar har subah shaam hai

Jo bhi chaaha na mila  
Toh maine usse cheena  
Keh diya toh dil mein  
Aaya honthon ko kya seena  
Who the hell are you  
To tell me what to do  
Mujhe hai bas issi tarah jeena  
Better not mess with me  
Mere dil mein jo  
Woh main karoon  
You better not mess with me  
Kisi se bhi aakhir  
Main kyun daroon  
Just leave me alone  
I wanna be on my own  
Kyun chhup rahoon  
Main kyun sab sahoon.
