

Kal tha jo mera
Woh ab mujhse juda
Kyun tum se ladaa
Mera dil aakhri dafaa

Ab main saath jo nahi mere siva
Tera hath kaun chhu rahaa
Ab main saath jo nahi tere bina
Mera haath khamkha dhundhta tumko
Door hum tum bewajah

Dard har dum bewajah
Door hum tum bewajah

Kal tha jo tera
Vo na tujhse juda
Phir kyun hai tere

Ab paas koi nayaa

Ab saath jo nahi mere siva
Tere saath kaun hai chala
Ab main saath jo nahi tere bina
Mera soona raasta dhoondta tumko

Door hum tum bewajah
Dard har dum bewajah
Door hum tum bewajah

The stars were shining bright
Whenever you said hello!
And you brought me back to life
And i cannot let it go
Would you hold me one last time
Cuz darling i want to show
And darling i need to know...

Door hum tum bewajah
Dard har dum bewajah.
