

Ho bhabi bhabi akhde de sukde si bul ve
Char ku dina cu tu ta gaya mainu bhul ve
Ho bhabi bhabi akhde de sukde si bul ve
Char ku dina cu tu ta gaya mainu bhul ve

Kahda viah ho gaya nazar nai aunda
Kahda viah ho gaya nazar nai aunda,
Ja main nai tere nal boldi
Mainu bhabi-bhabi kehke nai bulaunda
Mainu bhabi-bhabi kehke nai bulaunda
Jaa main nai tere naal boldi ve.

Ho jadon si kuwara ve tu marda si gede ve
Bhabi de taan ho hoke behnda si tu nede ve
Ho jadon si kuwara ve tu marda si gede ve
Bhabi de taan ho hoke behnda si tu nede ve
Hun lagda tu akh nai milaunda
Hun mere nal akh nai milaunda,

Ja main nai tere nal boldi
Mainu bhabi kehke nai bulaunda
Ja main nai tere nal boldi
Mainu bhabi kehke nai bulaunda,
Jaa main nai tere naal boldi ve.

Ja main nai tere nal boldi

Tera todar te majre da raah geya khul ve

Kede chakran ch geya bhabi nu tu bhul ve,

Jinu kehnda si main kade ni bhulaunda

Jinu kehnda si main kade ni bhulaunda

Ja main nai tere naal boldi

Mainu bhaabi bhaabi keh ke nai bulaunda

Mainu bhaabi bhaabi keh ke nai bulaunda

Ja main nai tere nal bol di ve.
