

Bhai Tera Zeher Song Lyrics

Aye

It's your boy ashish bhatia

Gurbax on the beat

Lets go

Babbe di meher hai

Bhai tera zeher hai

Har sheher mein keher hai

Hiphop se affair hai

Haan kaisi mili mujhe trip

Dost hore mer flip

Baate mere peeche kare full shit

Hit scene mera in the moshpit

Lit fam meri

Bad trip ka docto main inke liye aparchit

Dunga unhe drip

Boombrush ka zone

Always hai hit

Jealous hai bitch

Mother father ki koi parvarish ni

Tabhi kaam inke jaahil se jaise ho witch

Chil karun kahoon

Dehradun ka

Drill karun hard chahe mahina june ka

Dasne ko peeche pade saanp jaise log

Parwah mi mujhko main aflatoon sa

Khudko ye og bolte

Mujhe og bhai op bolte

Jab sher kare market mein scene pura kill

To zaahir hai pille to bhaukte

Ye bhaw bhaw karenge

Main dhad dhad marunga

Ye sad sad jayenge

Main bad bad jaunga
Ye hatt hatt jayenge
Track se jaldi hi
Janta bhai jaanti hai rule kar jaunga
Maas banke aaj toofan uthaunga
Khasi hora inhe dose khilaunga
Attyachar thoda karunga kam
Lekin ghamasaan headshots barsaun

Mere kaam mein vajan inhe hota ni hazam
In jaiso ki lagta hai yahin hai rasam
Main bhasam sa kardunga minto mein
Saare yo chaman hai champak se lene ki tashan hai
Maksad hai auro ke neechे girana
Main dikhta hoon alag sa dhruv sitara
Mujhe maa kasam giru inke jaisa ni
Cassawary sa main panchhi awara hoon

Babbe di meher hai
Babbe di meher hai
Bhai tera zeher hai
Bhai tera zeher hai
Har seher mein keher hai
Har seher mein keher hai
Hiphop se affair hai
Hiphop se affair hai

Ek baar phir
Babbe di meher hai
Babbe di meher hai
Bhai tera zeher hai
Bhai tera zeher hai
Har seher mein keher hai
Har seher mein keher hai
Hiphop se affair hai
Hiphop se affair hai

Block karun inhe kyunki
Negativity mujhe pasand ni
Kaam naam inse jyada

lyrics

Phir bhi dekho bhai ko
Ratti bar ghamand ni

Kya karneka mann tha yaar

Marzi yeh log maane na maane par
Facts!

Main hi behtar inse jante hai saare inke fans bhi
Jo ke hain hi nahi

Waisa itna bahot hai par gurbax ki beat abhi hai
Saakhi hai bars mere likhu to lagega

Time ni time ni

Ye real as f**k?

Paale koi vehem ni

Trp ke bhookhe fooke shir

Tabhi shot teri flop star old fake mate blacksnake

Fucked voice sune foote kaan mere

Maut tere gaane ki main karun

Overtake checkmate

Rap ni ye karte hai rape choto beat ka

Main karta katal jaise pubg mein scout

Boombaam lit karun tujhe patt headshot

Poora scene hi khatam single shor knockout

Akad bakad bambe boo

Finale pahuche tabhi humpe show

Rap mera sun saate yay! Yay!

Yaad kare first day!day!

Pille se ghoomte the insecure se

Save karlena bhai

Kasme deke mujhe

Magarmacch se

Fake fake

Bhool gaye kya tum

Kaun asli king

Kya bolte tum??

Crimemaster gog main ninja hatodi hoon
Shot dunga dinding bologna boom!!
Bruh chaba montos batti hi gull hai
Dhoom hi dhoom bas bhatia pe zoom hai
Bruh tu to kisi ka ni mere paas proof hai
Jung lagi kashti ye bhai tere cruise hai

Nachenge bhai nachenge
Teri haar mein saare hi nachenge
Teri noobness pe hassenge
Bholebaba ke saanp tujhe dassenge

Kyun bawadi poonch sa hora se
Kyun bawde kaand yo karra se
Mujhe tha lenge inse ni darra
Main su label black yo tharra se!!.
