---

Oka nene naaku chuttu nene  
Okataina ontaronni kaane  
Swaardhamu nene paramaardhamu nene

Meri mizaajan akhiyaan  
Maane na gal dheeth hai pakkiyaan  
Ve raub vekho jatt da ve  
Kade ni peeche hatda ve mere maiya

Ke din raat karda kar akkhiyaan

Naa rengu kallatho lokame chadivesa  
Musuguna manushula rangulu choosa  
Nenanuvaa ante naaku mukhyam nenanta  
Gelupu jendaale naa daaranthaa

Manasu unnaagani ledhanta  
Medhadu maate ne vinta  
Maaya daari lokamlo  
Inthe inthe nenantaa aay

Naaku nene kartha karma kriya  
Oka nene vela sainyamayyaa  
Naa gamanam nithya ranam  
Kana kana kanam anuchara ganam

Oh saara jag karda ye thagiyaan  
Nigah sade peechhe kyun hai lagiyan

Nigah sade peechhe kyun hai lagiyan

Saahasa mantrame naa java jeevamu  
Samayamu choodani samaramidhi  
Saayudha yantrame lohapu dehamu
