Unnantha-lo manakunnnantha-lo
Bathikithe adhe sukhamu
Evariki thalonchaka nuvu nee kaallapai
Nilabade gunam varamu

Yaedhelaaga raaseno alaage jarugunu
Marendhuko bhayamu
Adhi alaaga jaragaka yelaaga jarigina
Vadhulukoku yepudoo nammakamu

Yaevo theliyani parugulu
Theesae thondharalo
Neekae nuvve dhorakaka
Samayamu gadapaku thelivanu bhramalo

Chaala aashala nadumana
Chaalle ani choodu
Praanam chitikelo thaelunu aanandhaallo

Bhaja govindam bhaja govindam
Brathuke kolaahalam
Bhaja govindam bhaja govindam
Baruvae kaadhaekshanam.
