

Uditi boondon ka ek katra,
Be-khabar sa bikhra bikhra
Ek seepi mein jaa ke utra,
Halaton ne kuch yu tarasha

Dekh masoom si ye hulchul
Har koi ho rha hai kaayal
Aankhein moondein chale hai beker

Ek kasish si kheenche usi aur

Ho..judd rahi bheed si,
Usko kya, isko kya, kisko kya
Jud rhi bheed si,
Khoye khoye se hain sab yahaan

Chehre jaane se, thode anjaane se
Aankhon se baaton se, kar de gumaan
Raaste purane se kho gaye zamane se
Mill gye jud gye ban gaya nishaan..

Khil rahi dhoop si, chad rahi hai,
Badh rahi, bholi si dastaan

Badh gaya saanson mein,
Jagta pairon ke asmaan
Udh rahi dhool si, aankh khole soye sab yahan
Udh rahi bheed si, isko kya usko kya pata.
