

Pyaase pyaase labon pe
Barsa de baarishein
Barsa de baarishein
Sulga sulga badan hai
Bhadki hain aatishein
Bhadki hain aatishein

Teri talab lagi hai har su
Mera matlab hi hai bas tu

O bheege bheege se lamhein
Bheege bheege se hum hain
Bheege bheege par khole khole se
Bheege bheege se hum hain
Bheege bheege se lamhein
Bheege bheege par sholay sholay se

Naa hoon main bas mein aa
Baahon mein kas le aa
Hai tann badan toh tar batar hua
Dheere dheere...

Kuch soch hai behki
Kuch saans dehki dehki
Hai yeh asar jo iss kadar chhuaa
Dheere dheere...

Geeli geeli hain yeh saansein
Bheega bheega hai yeh mann

Teri talab lagi hai har su
Mera matlab bhi hai bas tu

O bheege bheege se lamhein
Bheege bheege se hum hain
