Saari saari, saari saari, saari saari, duniya mein aisa rang na
Ik baar hasake tu haami bhar de, rab se kuchh na mangana
Bheegi bheegi, bheegi bheegi, bheegi bheegi, teri julfein
Gore gore, gore gore, gore gore, haanthon mein kangana
Khile khile, khile khile, khile khile, jo tere lab pe
Saari saari, saari saari, saari saari, duniya mein aisa rang na
Ik baar hasake tu haami bhar de, rab se kuchh na mangana
Bheegi bheegi, bheegi bheegi, bheegi bheegi, teri julfein
Gore gore, gore gore, gore gore, haanthon mein kangana

Sitaaro ki gali se tu chalake aayi
Mere tassabur ki jami pe, kaise karu shukriya
Bahaaro se churaake tu khushbu laayi
Kabse jise main dhundata tha, paagal mujhe kar diya
Ik baar hasake tu haami bhar de, rab se kuchh na mangana
Bheegi bheegi, bheegi bheegi, bheegi bheegi, teri julfein
Gore gore, gore gore, gore gore, haanthon mein kangana
Khile khile, khile khile, khile khile, jo tere lab pe
Saari saari, saari saari, saari saari, duniya mein aisa rang na

Panaaho mein bitha loon, labon pe main saja loon
Gustaakhiyaan main aaj kar loon, lekin mera dil dare
Sawaaru tere kesu, ho jaau bekaabu
Baanhon mein tujhko aaj bhar loon, jo tu ishaara kare
Ik baar hasake tu haami bhar de, rab se kuchh na mangana
Bheegi bheegi, bheegi bheegi, bheegi bheegi, teri julfein
Gore gore, gore gore, gore gore, haanthon mein kangana
Khile khile, khile khile, khile khile, jo tere lab pe
Saari saari, saari saari, saari saari, duniya mein aisa rang na
Ik baar hasake tu haami bhar de, rab se kuchh na mangana
Bheegi bheegi, bheegi bheegi, bheegi bheegi, teri julfein
Gore gore, gore gore, gore gore, haanthon mein kangana
Khile khile, khile khile, khile khile, jo tere lab pe
Saari saari, saari saari, saari saari, duniya mein aisa rang na.
