

Ghum ho gaya dil ye mera
Kaise bataun kiska hua
Shaamon mein tu subah mein tu
Ishq ka dekho ye silsila

Tere bin na maane mera ye jiya
Is kya hua tu hi samjhana
Tere bin suni suni raat hai
Tanha hui aankhen behlana

Bheegi bheegi baatein karne laga hun
Dheere dheere aage bhadne laga hun
Hole hole tera hone laga hun

Khaamosh teri aankhen ye bole
Chhupke se mujhe baahon mein bharle
Ab jab mili hai jaane na dunga main

Khwaabon mein mere tu hi basa hai

Mera jo haal hai tera bhi ye hubahu
Kya kahu o jaane jaana
Dil kha kho gya tera hi ho gaya
Kya karu o jaane jaana
