

Bheegi bheegi rut hai umango pe nikhar hai  
Dhundhli si roshni hai aankho me khumar hai  
Bheegi bheegi rut hai umango pe nikhar hai  
Dhundhli si roshni hai aankho me khumar hai  
Ruki ruki sanse hai jawani bekarar hai  
Or yaha koi nahi tera mera pyar hai  
Bheegi bheegi rut hai umango pe nikhar hai  
Dhundhli si roshni hai aankho me khumar hai

Mere khyalo ki garmi me  
Teri jawani pighal rahi hai  
Pani me dono machal rahe hai  
Aag badan se nikal rahi hai  
Pahle jo dil ki bigdi thi halat  
Ab wo sambhal rahi hai

Or yaha koi nahi tera mera pyar hai  
Bheegi bheegi rut hai umango pe nikhar hai  
Dhundhli si roshni hai aankho me khumar hai

Badhne lagi hai rup ki thandak  
Badal raha hai pyar ka mausam  
Meri najar bhi dol rahi hai  
Kaap rahi hai tu bhi hai humdum  
Tujhko jarurat sholo ki hai  
Mujhme shama ja aye meri shabnam  
Or yaha koi nahi tera mera pyar hai  
Bheegi bheegi rut hai umango pe nikhar hai  
Dhundhli si roshni hai aankho me khumar hai

Dekh raha hu tu dulhan hai  
Or phulo ki sej saji hai  
Sanso me ek tufan liye tu  
Sharmo haya me dubi hui hai  
Jitna mai tujhse lipat raha hu  
Utni tu khud me simat rahi hai  
Or yaha koi nahi tera mera pyar hai  
Bheegi bheegi rut hai umango pe nikhar hai  
Dhundhli si roshni hai aankho me khumar hai  
Ruki ruki sanse hai jawani bekarar hai

Or yaha koi nahi tera mera pyar hai  
Bheegi bheegi rut hai umango pe nikhar hai  
Dhundhli si roshni hai aankho me khumar hai.
