

Bhole bhale sanam matwale sanam
Raat jave hai jave hai
More pyare balam matware balam
Neend aave hai aave hai aave hai

Jao jao ji balam
O balam besharm
Teri jaan ki kasam neend aave
Tera kaisa ye sitam
Zara soch to sanam
Raat jave hai
Neend aave hai aave hai aave hai
Raat jave hai jave hai jave hai

Rani aaj meri ghadi pehuchi
Dil ke gaav tak
Pehuchi dil ke gaav tak
Raja main bhi teri ho gayi dekh
Sar se panv tak
Sar se panv tak
Main takiya tu rajai
Tu gaas pe diya sulai
Tu sina main angdai
Tu tabla main sahnai
Tumhe jaan gaye hum
Karo pyar zara kam

Kaise karungi hajam jee gabra hai
More pyare balam matware balam
Neend aave hai aave hai aave hai
Bhole bhale sanam matwale sanam
Raat jave hai jave hai

Kya baat khatta

Nimbu bhi rasgula ban gaya
Ye sher tere
Jadu se ab billa ban gaya
Mehaman mere manmane
Maine dang tere pehchane

lyrics

Balm banke lage satane
Main aaya pyas bhujane
Aao gaye milke ham
Huye door sare gham o sanam
Na ham satave hai
Neend aave hai aave hai aave hai
Raat jave hai jave hai jave hai.
