

O bhut raajaa hua re

Are koi bataae ke samaje main na
Aayeke haye kya hain ye paheli
Are koi bataae ke samaje main na
Aaye ke haye kya hai ye paheli
Fus ghayi muskil main
Fus ghayi muskil main
Bhoto ki mahefil main
Main ek ladki akeli
Aley aley aley aley
Are koi bataae ke samaje main na
Aaye ke haye kya hain ye paheli
Fus ghayi muskil main
Bhoto ki mahefil main
Main ek ladki akeli

Gar se main nikali raste mein bhatki
Aasamaa se giri khazur mein ataki
Gar se main nikali raste mein bhatki
Aasamaa se giri khazur mein ataki
Achchhaa khajur khaaegi
Tu khajur nahin meri
Maar khaaegi haiya
Aley aley aley aley
Yah sach hain jhooth nahin
Main koi bhut nahi
Main to hoon naar naveli
Aare phas gayi mushkil
Mein bhuto ki mahafil mein
Main ek ladaki akeli
Koi bataae samajh
Mein na aae ke haye

Ki kyaa hai paheli
Phas gai mushkil
Mein bhuto ki mahafil mein
Mai ek ladaki akeli

Laato kaa bhut hai baato se
Nahi maanegaa haiya
Lagateho mujhako tum bhut saare
Lagateho mujhako tum bhut saare
Yam devataa ke ho dut saare
Yam devataa ke ho dut saare
Kyaa boli
Aley aley aley aley
Din mein hi raat huyi
Anahoni baat huyi
Honi ye kyaa khel kheli
