

Bhul na jana hamko gori apna bana ke
Aaj hue hum tere sari duniya bhula ke
Ho bhul na jana hamko gori apna bana ke

Udti ghata thandi hawa meri zulfe udaye
Jan meri zulfe teri din ko rat banaye
Naaz hai andaz hai mai geet hu tu saaz hai
Naaz hai andaz hai mai geet hu tu saaz hai
Teer chalana gori zara dil ko bachake
Aaj hue hum tere sari duniya bhula ke

Mera jiya chin liya karke tumne ishare
Ye kya kiya bhole piya khole hai raaz hamare
Sath hai kya baat hai mere hath me ho tera hath hai

Sath hai kya baat hai mere hath me ho tera hath hai
Ja na sakoge hamse ho babu hath chhuda ke
Aaj hue hum tere sari duniya bhula ke.
