

Khuskismat hain wo jisko  
Is kaid se mili rihayi unko vidayi dedo  
Achank apni aankh hain bhar aayi

Yaad aayi yaad aayi  
Bhuli wo kahani phir yaad aayi  
Yaad aayi yaad aayi  
Bhuli wo kahani phir yaad aayi  
Kal ki zindagani phir yaad aayi  
Bhuli wo kahani phir yaad aayi  
Yaad aayi yaad aayi  
Bhuli wo kahani phir yaad aayi

Ma ki kokh se janam  
Liya to sache insan the hum  
Wo din bhi kya din yaro  
Jab achhe insan the hum  
Chota sa ek ghar tha apna  
Aankho mein tha kya kya sapna  
Mehant ki roti khate the  
Phir sukh chain se sojate the  
Ek din vakat ne karvat badli  
Ek pal me ye duniya badli  
Julm sitam se chur huye hum  
Kuch aise majbur huye hum  
Julm ki in raho par aaye  
Aaye to phir lot na paye  
Kismat ne ye din dikhlaye  
Mujarim banke jail mein aaye  
Yaad aayi yaad aayi  
Bhuli wo kahani phir yaad aayi  
Kal ki zindagani phir yaad aayi  
Bhuli wo kahani phir yaad aayi

Juram tha apna apne karn  
Apne sab badnam huye  
Sath hamare un sab ke bhi  
Sab sapne nilam huye  
Kya sapne kya duniya thi  
Mamta ki murat ek ma thi

Jan se pyari thi ek  
Bahna uske liye the zinda rhna  
Bahna ka the byah rachana  
Doli ko kanda tha lagana  
Davar magar barat na aayi  
Wo bahna rah gayi anbyahi  
O jane wo kis hal mein hogi  
Jali chitaye apne sapno ki  
Uske bina mar mar jita hoon  
Khun ke aansu ab peeta hoon  
Yaad aayi yaad aayi  
Bhuli wo kahani phir yaad aayi  
Kal ki zindagani phir yaad aayi  
Bhuli wo kahani phir yaad aayi  
Yaad aayi yaad aayi
