

Hoye papiya baga wich pakiya ambiya
Baga wich pakiya ambiya
Ghunguru bandh ke nache chamiya
O main na pyar karungi bichhu lag jayega

Main na pyar karungi bichhu lag jayega
Bichhu lag jayega jahar chad jayega
O main na pyar karungi bichhu lag jayega
Main na pyar karungi bichhu lag jayega
Bichhu lag jayega

Pahle pyar ka bichhu
Pahle pyar ka bichhu
Paw mere chatega re paw mere chatega
Mere hosh udake julmi phir katega
Julmi phir katega

Hoye mera gora badan hoye gora badan

Nilapad jayenga
O main na pyar karungi bichhu lag jayega
Main na pyar karungi bichhu lag jayega
Bichhu lag jayega

Ho kisi ka kya bigdega
Jan meri jayegi jayegi jayegi
Jan meri jayegi jayegi jayegi
Koi dawa phir mere
Kam na ayegi ayegi ayegi
Kam na ayegi ayegi ayegi

Hoga dard na kam
Hoga dard na kam
Aur bad jayega
O main na pyar karungi bichhu lag jayega
Main na pyar karungi bichhu lag jayega
Bichhu lag jayega

Moti lage hain mujhme heere kayi jade hain
Moti lage hain mujhme heere kayi jade hain
Hatho mein dil thame kitne log khade hain

Kabhi hath kisi ka
Kabhi hath kisi ka

Aage bad jayega
O main na pyar karungi bichhu lag jayega
Main na pyar karungi bichhu lag jayega

Bichhu lag jayega jahar chad jayega
O main na pyar karungi bichhu lag jayega
Main na pyar karungi bichhu lag jayega
Bichhu lag jayega.
