

# Big Bull Lyrics

---

Ek ek ko thok de  
Duniya ko shoke de  
Sabko parlok de  
Yay yay yay

Main big bull  
Zindgi maut ka main bigul  
Jo bhi tuj ko tok de  
Tu usko phod de  
Mera naam bol de  
Yay yay yay  
Main big bull  
Shala phoda hi jadba hi gull

Samne jo aayega wo gadha hoga  
Aankh jhapkte hi tan se sar juda hoga  
Duniya ye mere liye ek santraa  
Hath se nichod dun main is tarha

Main big bull  
Zindgi maut ka main bigul  
Main big bull  
Range kya mera karle google

Maar saale ko

Tu sarafat rakhle apni jeb mein  
Chooni nahi ho  
Ye jahan hai jungle yaha ka  
Sher main suna nahi ho

Kadak chai bin aisi baat bol jata  
Danger pe danger ye tujhse naata  
Naram naram rag mein tere  
Uthe jwarbhata sab us se

Takra ke mar mit jata

Raazi na huye to hum kheench layenge  
Na kaha to maut se phir hum milayenge  
Jite hai sada yahan apne ashool pe  
Bhanwara wo nahi ke jo mar jaye phool pe

Main big bull  
Zindgi maut ka main bigul  
Main big bull  
Mujhko chheda toh hoga trouble

Door ke na raja  
Munna nikkatha ni ja ja  
En ethirikellam sathan  
Vachi senjiruven otha

Antha kooru vaala  
Thookuna naan kadavulu

Ee na orasuravan uyiroda burialuu

En perua keta naragatk ukae  
Nadukamda kaattan  
Antha pathalame rathari pogum

Tharuvenda keepala
