Kadde v je koi tutt ke hi nikle  
Fatte vich mekh jatt eda gad de  
Uth uth pani penda phire rattan nu  
Assi vari de vajood utte chaap chad de

Sadda maan taan kadde kyian de praan  
Sadda maan taan kadde kyian de praan  
Arddi bhan ni jattan da khaas pesha hunda eh

Jitho jitho langhe gadi holi yarran di  
Bhari nuksaan da andesha hunda eh  
Jitho jitho langhe gadi holi yarran di  
Bhari nuksaan da andesha hunda eh

Sadi pith piche jehde saley hikka taan de  
Jaan di bakhubi hai nahi jutti haan de  
Sukke paye ne manje jiwe bodde waan de  
Jatt ne shokeen khulla peen khan de

Kadawe mohaan cho kabool kale rang da jo tool  
Mohaan cho kabool kale rang da jo tool  
Bus dassi da nhi kol ta hamesha hunda eh

Jitho jitho lange gaddi holi yaaran di  
Bhari nuksaan da andesha hunda eh  
Jitho jitho lange gaddi holi yaaran di  
Bhari nuksaan da andesha hunda eh

Thekkeyan te phirde bukkde  
Asi eho jehi daleri te nahi thukde  
Sidhe mathe je koi takre  
Karke toriye dakre dakre

Howe na jo pakka apni jubaan da  
Oh valli kahdaa kohdi hai jahaan da

Godi hath launde chote tere haan de  
Bhonk di kateed asi tichh jaande  
Paira vich roley wadde wadde bariyaad  
Hath lagey ne jina nu changi tarah jaande

Tehas nehas karey khore kinne khabbikhan  
Tehas nehas karey khore kinne khabbikhan  
Saddi ghoor yamraj da sandesha hunda eh

Jitho jitho langey gaddi holi yaaran di  
Bhari nuksan da andesha hunda eh  
Jitho jitho langey gaddi holi yaaran di
