

Ya habibi ya habibi, ya habibi ya habibi
Ya rasul allah, ya rasul allah
Bigdi huyi bana do sarkare madina
Bigdi huyi bana do sarkare madina
Bebas ko aasra do,
Bebas ko aasra do sarkare madina
Bigdi huyi bana do sarkare madina
Bigdi huyi bana do sarkare madina
Ya rasul allah, ya rasul allah
Ya rasul allah, ya rasul allah
Ya habibi ya habibi

Agar tum dua karoge khuda hoga meharba
Tum aankhe pher loge to huym jayenge kaha
Lo aa gaya hai waqt bura tum usko tal do
Tum apni kali kambli ka ab saya dal do
Zalim ko tum saza do,
Zalim ko tum saza do sarkare madina

Jo nek hai saitan ke changul mein fase hai
Har har kadam pe mot ke saman khade hai
Jo lad rahe hai sabko bachane ke vaste
Insan aaj vohi mushkil mein pade hai
Mushkil ko tum mita do,
Mushkil ko tum mita do sarkare madina
Bigdi huyi bana do sarkare madina
Bigdi huyi bana do sarkare madina
Sarkare madina sarkare madina
Sarkare madina sarkare madina
Sarkare madina sarkare madina
Sarkare madina sarkare madina.
