---

Bikku bikku mantu  
Ara sethilonaa nakkinaadi pranam  
Ye dikkuleka papam  
Ataka ekkipoyi gammunundi dhairyam

Ye pattaapagalu oorukuthandi  
Paadu thoka chukka  
Thindimaani urukutundi  
Veedhilonaa kukka

Kallamunde tiruguthandi  
Thoka leni nakka  
Mantalunna reku mukka  
Meda paduta pakka

Dingi jange dingi jange dingi jange  
Dingi jange dingi jange naa  
Dingi jange dingi jange dingi jange  
Dingi jange dingi jange naa

Devunni namminodu tayattu kattukundu  
Tayattulamminodu peddillu kattukundu  
Pirikollu ade paniga sorangalu tavvindre  
Mondollu skylabni thodagotti pilustundre

Devadasu parulu barulona kalusukundru  
Bharatlyrics.com  
Barulona sarukanthaa urakane posukundru  
Tagudu ante telavanodu mandulone munugutundu  
Taagi tandanalu aadi vedantamu aadutundu

Aa aagamanna agadu idi  
Aagam aagam ayithandi  
Aa aagamanna agadu idi  
Aagam aagam ayithandi

Chikubuku railu bandi  
Yedaa dakkunde  
Oori bandilonaa duri  
Agamanna aganantunde.
