

Zindagi is pyar mein jis raah chali
Paai hai uss raah mein bandh gali
Dhadkano ne toot kar hi saans li
Dard se dil ko rihaai na mili
Khamoshi kya kya bole
Mann bheega holey holey beh jaaye

Bin roye, bin roye..
Naina rehte hain kaahe aise khoye, khoye
Bin roye, bin roye...

Ishq rog banta gaya
Jaise dum niklta gaya re
Khwahishon ke kaanton pe dil
Nange paanv chlta gaya re
Phir dhul yaadon se uddi
Saaye judaa lagne lage
Aur kirchiyan ban aaine
Ab haath mein chubhne lage

Ek naam jo dil dohraaye
Dukh paaye honsh gavaye seh jaaye

Bin roye, bin roye..
Naina rehte hain kaahe aise khoye, khoye
Bin roye, bin roye...

Chhanv ki dua ki seele
Phelte andhere mile

Khwaab mile jo aankhon ke
Neend ke lootere mile re
Koi chot hai koi zakhm hai
Harpal bani ek aas mein
Kyun pyaar se nafrat na ho
Jeena agar hai pyaas mein
Baarish bhi aansu boye
Sookha man cheer bhigoye reh jaaye

Bin roye, bin roye..
Naina rehte hain kaahe aise khoye, khoye

Bin roye, bin roye...
