Tu aai gava bitwaa..
Lala meri maa ke kangan wapas karde re..
Lala

Lala lala..

Dekh lala pehle se hi mastak ki dhukeli hai
Teri footi kismat ki to aide full-to lageli hai
Jo paala pada birju se tujhko
Teri maut dastak de raili hai
Nauk tak-tak kar-reli hai bhot
Maa ke gehne liye tune namune kaminey
Maa ne mahine bhar bahake pasine
Hul chala ke jab kaati fasal tab
Tab tu laathi utha ke hil-hil ke chalte hue aake
Jhoothi vidhya dikha ke
Tune bahut maamu banaya

Bahut maamu banaya

Lala tanne maari baat samjh na aave
Ek phoonk maaru thari dhoti khul jaave
Thaari chhati pe chad tanne hi main daraun
Thaari chhati pe chad tanne hi main daraun
Pyaar se na maane te ghusand lagaun

O gal sun!
O lala lala meri gal sun
Tera taintwa dabake ke banaunga nayi dhun
Phir bhi na maanega marunga chun chun chun

Teri haddiyon ka churma karunga bun bun
Lauta de, lauta de
Kangan maa ke lauta de
Le laa de, le laa de
Le khopdi hila de
Bhayanak bada main hun jaljala
Aandhi hun main birju mera naam

Birju..
Tu aai gava bitwaa..
Lala meri maa ke kangan wapas karde re..
Lala
Lala..

Lala meri maa ke kangan wapas karde tu
I love you, i love you, i love you..
Lala meri maa ke kangan wapas karde tu
I love you, i love you, i love you..
Lala..

Pisse pisse kare lala javega narak
Thaare pichhe bhoot saare javenge gatak
Bhootni ke tere jaisa koi na kamina
Bhootni ke tere jaisa koi na kamina
Saari bahu chhorian ne samjhe te hasina

Haath mere aayega pachhtayega tu
Laa meri jo tu khayega uth jayega tu
Jaanu main jaanu teri chamdi hai moti
Damdi hai khoti, kaala hai dil
Aur safaid teri dhoti safaid teri dhoti

Aah..
Lalalala...
Birju...de saale ke ghusand
Aai gava bitwaa o..

Ab baari hamari hai
Kopche mein almari hai
Birju ja almari mein se sandook le
Sandook mein se bandook lekar aa

Iska karde full 'n' final aaj
Taakega tu maa ki laaj
Nachega tu khake paanch, goliyan
Aale daaku, saale daapu
Lauta kangan warna chadega tu sulii kyu miya!

Nahi chada to maine jaljala le aana hai
Chal zara tu bombay 70 valvala dikhlaana hai
Wahan pable ki batar margi pathar
Bhagega bachkar kaise tu
Lala tere bahot natak
Baaju mein hai rail phatak
Fatak tutela hai birju hatela hai
Budha thakela tu ekdam sukhela hai
Gusse mein janta hai
Pitna to banta hai
Khaane ke wande hain
40 ke kaande hain
Futeli chali hai khuli vinali hai
Public mawali hai tere liye gaali hai
Raste pe khade hai
Bhai log ke adde hain
Sad gayele masle hehe hansle
Kangan kidhar hai be lala
Ha ha..

Lala..
Lala oye!.
