

Black Business Lyrics

Badi duniya dari kutti ae
Ho gayi khopdi putthi ae
Jidi kaim rakane jutti ae
Oohi bande paunde khutti ae

Pehla jaan jaan ke khainda ni
Bas gal mainu hi painda ni
Jatt paa lainda ae lamba kude

Ho change de naal changa kude
2 number da dhanda kude
Dhande cho mustang layi
Mustang di diggy vich banda kude

Assi saudagar death de aa ni
Na pichhe mere aayi ni
Aahi baah kise di fad de ni
Koyi rull ju bagani jaayi ni

Utto naam tera muskan kude
Ni satho ho ju koi nuksan kude
Ni teinu kehna kise ne jaan kude
Ni satho kutteya jau kar nanga kude

Ho change de naal changa kude
2 number da dhanda kude
Dhande cho mustang layi
Mustang di diggy vich banda kude

Jado jigre vadde hunde aa
Das kha ke tomato sauce kude
Sadda koi boss nai haan diye
Assi bosaan di boss kude

Jado ghumdi meri call kude
Bas samjh layi maala maal kude
Tv te mache bawal kude ni
