Show mxrci on it!

Ho record ne bad utto rude shaklan
Kaale ne hisab te black raflan
Sheesheyen te film aa feem naal di
Dead ne shareer utton dead aklan

Red colour ch cheejan do labiyan
Red colour ch cheejan do labiyan
Ik khoon duja wang tere lal rang di
Ik khoon duja wang tere lal rang di

Ho jatt di black life vich goriye
Pehli cheej aayi ae tu chitte rang di
Jatt di black life vich goriye
Pehli cheej aayi ae tu chitte rang di
Jatt di black life vich goriye
Pehli cheej aayi ae tu chitte rang di

Ho bahli saddi wakh na choice balliye
Pushtan ton fan aan black rang de ho
Kittiyan pugaiyan ne jo muhon kaddiyan
Gallan naal jitte ni maidan jung de

Kade kade laal pari daakhil hunni
Unjh entry block rakhi hari bhang di
Jatt di black life

Ho jatt di black life vich goriye
Pehli cheej aayi ae tu chitte rang di
Jatt di black life vich goriye
Pehli cheej aayi ae tu chitte rang di
Jatt di black life vich goriye
Pehli cheej aayi ae tu chitte rang di

Suit kardi aa round'an di smell yaar nu
Ni dakk dil dhehne vich whip nakhro
Je paade hoye asla taan gaye samjhi
Unjh kaale kamm hone na skip nakhro

Ho gang'an wale phirde aan suhan labhde
Gang'an wale phirde aan suhan labhde
Jiddan karde taiyari sadde naal jung di

Ho jatt di black life vich goriye
Pehli cheej aayi ae tu chitte rang di
Jatt di black life vich goriye
Pehli cheej aayi ae tu chitte rang di
Jatt di black life vich goriye
Pehli cheej aayi ae tu chitte rang di.
