

# Blood On Tusk Lyrics

---

Veedi aduguku adirenu bhuvaname  
Veedoka bhikara pralayamu raa  
Yavaru choodani raakshasa roopame  
Sathrraalita narakame raa

Iskee aankhein jalthe angaar re  
Dushman ko bheje shamsaan  
Evana notake jwaleye marugive  
Kenaki nee bandare kalaaya

Ivanadi echchaal vaana adhirum  
Vitdi mathida yaar inga thadukkum  
Ivan uyarathuke ila sigaram  
Ivan kaal vechchaal paaridarum  
Vidhi maathaanaarin thударum  
Bharatlyrics.com  
Ivan uyarum mel-mel padarum

Prathi tharanikkadi rakatho marenu  
Pralayabhayankara thandavame  
Paka varaathe vannoru maanasa veethiyil  
Chadula mruga nada poruyiro

Heartbeat loud like war  
Got rage in my veins  
Tried to bury me I rise up from the pain  
I am the nightmare walking  
When the lights go low  
Dont tryna bring me down  
Listen

I am the final  
Knocker shocker talker rocker  
Locker motherfuckER noww Peter Parker got them bi\*\*es  
Yea he got the money now

I am walking with pressure and  
Knocking everybody in the town

Dont you try to stand against me  
Imma finna bring you down

---
