

Bloody Sweet lyrics

I am fireproof
Theres nothin you can do
So run away
Cause I am here to stay

You hear me now
You dont wanna be my prey
I will break you down
Bharatlyrics.com
You wouldnt last a day

I am fireproof
Theres nothin you can do
So run away
Cause I am here to stay

I am gonna take it away
I am gonna take it away hell yeah
I am gonna take it away
I am gonna take it away hell yeah

This is how I wanna play
This is how I am gonna play hell yeah
This is how I wanna play
This is how I am gonna play hell yeah

Bloody sweet

Leo leo leo leo yeah
Leo leo leo leo
I wanna hear you say
Leo leo leo leo
