

# BLOW UP Lyrics

---

Hold up i'm about to blow up  
Hold up i'm about to blow up  
Hold up i'm about to blow up  
Hold up i'm about to blow up

Hold up i'm about to blow up  
Hold up i'm about to blow up  
Hold up i'm about to blow up  
Hold up i'm about to blow up

Raste pe maar-kaat chuna shaanti ko  
Hisaab de rahe paanch-saat lu ehsaan nahi bro  
Gilaas bhare last-hour mein sehpaathi do  
Peeke baat karu saaf-saaf na seh paati vo

Tha sona nahi pasand tabhi ghar chandi ho  
Naashte mein saat-lakh ye dill maange more  
First se leke last-bar tak sab kaandi bol agar  
Mass mere aas-paas to mai carnivore

Kare haadsa fer laath-saab ne haath saaf karey  
Lage jhaad phook ye bar thook ke aatma parey  
Male ganja jab laad-pyaar se baat na bane  
Mere circle mein chaar-yaar vipassana karein

Bas yaad rakh ki yaari mein hisaab na chale  
Jo teri dal na gale to kabhi daal na gale  
Zyaada chall hai to banda gaata chale  
Ho tu naasafal aaj to fer aata kal hai

Dikhe pyaade hazaar lekin raja kam hein  
Mere hamshakal laakh lekin naasafal hein  
Ya saara gyaan ka fall hai zabaan se laata pralay  
Tabhi ham jaise choron se ilaaka jaley

Kamzoron pe dhilasa chale vo rehte shakha tale  
Tujhe bt ho rahi to mujhpe half bottle hai  
Pehle pitch thi kharaab aur saare bole i'm out  
Ab inhe saanp soong jaata jab ham shark ko tale

Chup rehna pasand hai tabhi chup hi rehta hun  
Raaton mein peti leke chupe rehta hun  
Rozaana subah chupe deti hai to sukhi rehta hun  
Yaha saare nashon ka prabandh hai ferbhi sufi rehta hun

Iss buddhi pe zakham hai saala kuchbhi kehta hun  
Hoodie mein nokeeli kalam maanon churi se laes aau  
Kilsaake baitha ek sanam ko to doosri se milta hun  
Par rakhu kisi se sambandh nahi apne mein hi beheta hun

Hold up i'm about to blow up  
Chahiye de tu mujhe pyaar ya de no-love  
Hold up i'm about to blow up  
Tha mai tabse tayyar jab tha no-luck  
Hold up i'm about to blow up  
Mere sarr pe savaar sirif ye do lafz
