

I'm confused
Main wrong hu ya right,

But i wanna love you
Defeat my appetite.

I wanna love you
I wanna love, i wanna love, i wanna love you
Defeat my appetite.

Study kar raha hoon
Main ik nayi language
Haan woh nayi language hai
Teri body language

Study kar raha hoon
Main ik nayi language
Haan woh nayi language hai
Teri body language

Am i wrong ?
Am i right ?

Towel mein lipti
Chandan si ye flesh,

Mujhe de rahi hai craving
Like a freaking cheese sandwich.

Study kar raha hoon
Bharatlyrics.com
Main ik nayi language,

Teri body language
Main ik nayi language.

But i wanna love you!

Champaign ki sip si
Gaanjhe ki drip si
Baby you're so yummy
Bilkul cheesy dip si.

BHARAT
lyrics

Abhi kal hi khayi thi maine
Chocolate meethi
Tere upper lip si
Bilkul tere upper lip si,

Lips tere french, brown, brazillian
Body like a roman gladius
One in a million.

Ang-ang tere antique
Kare red romantic
Husan pe vaarun tere dollars australian.

One in a million, tu hai one in a million
Like a heavy drug baby
Aye haye tera yovan.

Jod rahi hai lapte
Nikli straight out of oven
Tujhpe hi aake rukta hai mera sludge engine
Engine, kyun ke tere jaisi no one.

Study kar raha hoon!
I wanna love you.
