

Bol gori bol teraa kaun piyaa
Bol gori bol teraa kaun piyaa
Kaun hai vo tune jise pyaar kiyaa
Bol gori bol teraa kaun piyaa
Are tu jaane naa usakaa naam
Har subah har shaam
Duniyaa ne usi kaa naam liyaa
Bol tu hi
Bol tu hi bol meraa kaun piyaa
Bol gori bol teraa kaun piyaa

Hai kaun saare jag se niraalaa
Koi nishaani batalaao baalaa
Usaki nishaani vo bholaa-bhaalaa
Usaki nishaani vo bholaa-bhaalaa
Usake gale men sarpon ki maalaa
Vo kai hain jisake roop kahin chhanv
Kahin dhoop
Teraa saajan hai yaa bahuroopiyaa
Bol gori bol teraa kaun piyaa
Bol tu hi bol meraa kaun piyaa

Mann usakaa mandir praan pujaari
Mann usakaa mandir praan pujaari
Ghoda na haathi kare bail savaari
Ghoda na haathi kare bail savaari
Kailaash paravat kaa vo to jogi

Achchhaa vahi dar dar kaa bhikhaari
Dar-dar kaa bhikhaari
Haan bo hai bhikhaari theek leke
Bhakatee ki bheek
Badale men jagat ko mox diyaa
Bol gori bol teraa kaun piyaa

Main jisako bhaaun jo mujhako bhaae
Ik dosh to koi usamen bataae
Tu jisape marati hai haay haay
Tu jisape marati hai haay haay
Vo jataaon men gangaa bhaae

Do din kaa hai saath yug yug se meri
Baat
Main hun baati agar to vo diyaa
Bol tu hi bol meraa kaun piyaa.
