

Bombay To Punjab Song Lyrics

Deep jandu!
Divine!

Punjab se bombay
Bombay se punjab huh?
Deep mera bhai, hahaha...

Gully gang!
Gully gang!
Brrru..

Ho sidha banda sidha hisab ae
Karda baahli dealing ni
Feel kari meri gall rakkane
Len dinda main feeling ni

Ho sidha banda sidha hisab ae
Karda baahli dealing ni
Feel kari meri gall rakkane
Len dinda main feeling ni

Ho heer meri, tasveer meri
Aa chak sambh ke rakh kudey
Fark chahe mein nark chahe
Par poncheya heaven tak heaven

Tu bombay di chori ae
Main punjabi touch kudey
Tu flower wargi ae
Leju patt ke bach kudey

Tu bombay di chori ae
Main punjabi touch kudey
Tu flower wargi ae ni
Leju patt ke bach kudey

Aa phone baja vaise wala scene nai ae wrong number
Phone baja ex wala scene ae fir wrong number
Shot hua darke lagte tum 100 number

Shot hua sir pe lagate hum 100 thappad
Huh! Boht antar
Online tu boht gabbar
Boht rapper
Asli main boht actor, boht shakkar,
Acha check kar resume
Sherni hai saath har waqt mere baaju main
Ha ha ha!
Punjab di ladki matlab band wala scene
Kheton mein gucci matlab trend wala scene
Sunti woh sukhe jaguar wala scene
