

Deep jandu, divine
Punjab se bombay, bombay se punjab haa
Deep mera bhai, hahahah

Gully gang gully gang, burrr

Ho sidha banda sidha sahab (hisab) ae
Karda baali dealing ni
Feel kari meri gal rakane
Len dinda main sealing ni

Ho sidha banda sidha sahab ae
Karda baali dealing ni
Feel kari meri gal rakane
Len dinda main sealing ni
Ho heer meri, tasveer meri
Aa chak sambh k rakh kude
Parkh chahe main nark chahe
Par pocheya heaven tak kude

Tu bombay di chori ae
Main punjabi touch kude
Tu flower wargi ae
Lejui patt k bach kude
Tu bombay di chori ae
Main punjabi touch kude
Tu flower wargi ae ni
Leju patt k bach kude

Aa phone baja vaise wal scene nai ae
Wrong number phone baja ex wala scene nai ae
Fir wrong number sort hua,
Darke lagte tum sau (100) number
Sort hua sir pe lagate hum sau thappad,

Haa, boht antar, online tu boht gabbar
Boht rapper, asli main boht actor, boht shakkar,
Acha check kar resume main sher nai ae
Saath har waqt mere baaju main
Ha haa punjab ki ladki matlab end wala scene,
Kheto main kushi matlab grand wala scene

Sunti vo sukh-e jaguar wala scene
Matlab chahiye talwar, mujhe chahiye tha pyaar
Chalo hojana sawar suni karle tu ride mere naal

Ho teri ankho main kajal, ni meri ankhia vich laali
Bombay toh leju la, ni la toh sidha paali
Jhanjar vi banva dange ni, pair life vich rakh kude
Apna hissa leke shaduu, shad da ni main hakk kude

Tu bombay di chori ae
Main punjabi touch kude
Tu flower wargi ae
Lejui patt k bach kude
Tu bombay di chori ae
Main punjabi touch kude
Tu flower wargi ae ni
Leju patt k bach kude

Karle tu ride mere naal, karle tu ride mere naal
Karle tu ride mere naal, aa geya ni ohi billo time
Karle tu ride mere naal, karle tu ride mere naal
Karle tu ride mere naal, karle tu ride mere naal

Auto se vo hua ni karte saade jo kamm rakane
Tu rakhdi bodyguard ni, main rakhda damm rakane
Yaari di o den gawai, shaati (chest) te teen takk kude
Dekh le aujla peejuga tera, bottal wargi lakk kude

Tu bombay di chori ae
Main punjabi touch kude
