

Bonafide Lyrics

Kade sapp kade khach matthe moonh lagdi
Saari zindagi vi kade kade joo lagdi
Kade rooh lagdi te kade khooh lagdi
Saadi baahale siaanian na kithe rooh lagdi

Kade nigh dinda rabb kade paade maarda

Hale young aap ladd taan hi baahale maarda
Koi kaast da paast da rolla ni kure
Kaale terre aale bandian nu taahale maarda

Shiv padhhe as kooli kahide padhhe ni kade
Sir chadhde jo saade dikke chadhhe ni kade
Bas guru ghare ja ke sir jhukkda billo
Lall pall moore head down kare ni kade

Meri maan jaandi jaan mera baap jaanda
Saade ki si te ki ne halaat jaanda
Thalle aaeyan nu daiyan ni safaiyan kahaton
Jadon uttar aala saade baare aap jaanda

Thande mawsaman ch gall likhi tatiaan kure
Saadi taariyan na bhirdi tarakkiyan kure
Saala lakkran nu vi taan maan hona chaahida
Ki saade vich koi vaddi shahi machchi aa kure

Jihadha dil jitti baitha game haarn a billo
Das dukh kadon kattege aare na billo
Jadon likhaan ne kadhaai udon dekhang kure
Eddi cheti taan munda vi cheek maare na billo

Koi haar jaave na game ih dhiaan rakhda
Jihadha man nu lagge ni ohda maan rakhda
Kaiyan waaste kadhaai fir jutti kadd mi
Ikk do ku ne jinhaan de moore jaan rakhda

Welfare ch ni faayda kar kar dekhi aa
Life baapu diyaan modhian te charrh dekhi aa
Jihade roz moore toss kehnde likhe ni kite

Book kalli kalli mittran ne padhh dekhi aa

Mitt navan ise aapan welcome karda
Uuthe maroo maroo karna na kam karda
Life chirri chhikka khede saadi torpedo ch
Panga vadda kithe saada chhota dam karda

Veh same hi aa circle same na riha
Faayda rakhda ki lokan ch je name na riha
Chhote phirde lifafian de waangoo uddne
Kai fukkrian kole jadon fame na riha

Gaddi bhajji jaave time di slow ni honi
Kade hona ni ke chatt te galo ni honi
Khir khir milo hassda bathinde aala ni
Baba sukh rakhhe vibe saadi lo ni honi

Nashe patte aalian da patta katt dinne aa
Goli vatt ke ni dinde changi matt dinne aa
Na hi warning die te na gaal kaddie
Jihadha feel chakke la ke dilon rakh dinne aa

Chhota vadda katthe dovein hi bharro dene aa
Raaz dovein ikk dooje de loko laine aa
Je kall jaan te aage taan jaan waar daange ni
Chaurh chaurh ch hathan chon cheez khoh laine aa

Dukh dena kahaton sabh nu glad kar main
Kudd challi jaanda kahaton kam bad kar main
Baaki saare jaane family ch poore goriye
Ni tu kalli rahi gayi cheti tainu add kar lai

Kade jaayida makhaan ni swaad karke
Gaddi pandoni langhaai uchchi awaaz karke
Bas raazi rakhhe rabb baaki dilaan utte ni
Kaptaan kaptaan jau raaj karke

Bas raazi rakhhe rabb baaki dilaan utte ni
Munda sidhuan da jau billo raaj karke
Kaptaan kaptaan jau raaj karke
Sidhuan da munda jau raaj karke
