

Khushi hazar sahi gham juda nahin hota  
Garib kitni bhi peelee nasha nahin hota

Baho mein bottle  
Baho mein bottle bottle mein daru  
Daru mein meri nasha  
Ek bar jisne thodi si  
Pili behosh wo gaya  
Ek bar jisne thodi si  
Pili behosh wo gaya  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum

Ho ek ghunt se kya hoga  
Hai pyas samundar pine ki  
Aag piyenge tab to bujhegi  
Aag hamare sine ki  
Hum alebele hum alebele  
Sholo se khele teri to hasti hai kya

Hosh udade hamare  
Abhi tak paida na aisa hua  
Hosh udade hamare  
Abhi tak paida na aisa hua  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum

Rang bhi utre nasha bhi utre  
Chadke utar jaye dariya  
Rang bhi utre nasha bhi utre  
Chadke utar jaye dariya  
Mere pyar ki aisi hai daru  
Chadke na utre rasiya

Sari umar tum piche firoge  
Pike to dekho jara  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum  
Hum alebele  
Sholo se khele teri to hasti hai kya

Hosh udade hamare  
Abhi tak paida na aisa hua  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum

Gairo ki hogi waha kya zaroorat  
Bharatlyrics.com  
Masti khudi ki jaha hain  
Gairo ki hogi waha kya zaroorat  
Masti khudi ki jaha hain  
Apni jawani ka jitna nasha  
Daru mein utna kaha hain  
Hampe hamara chalta nahin jor  
Jadu na apna chala

Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum  
Baho mein bottle bottle me daru  
Daru mein meri nasha  
Ek bar jisne thodi si  
Pili behosh wo gaya  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum

Sharbo me tum ho pyalo mein tum  
Ho khwabo mein tum khyalo mein tum  
Ke kadmo pe hum biche hi rahe  
Agar hum tere piche hi rahe  
Tu chhod de mera rasta  
Main mujhse tera kya wasta

Na bahkunga main dikha le ada  
Girunga na main chahe bijli gira  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum  
Jhum jhum jhum jhum jhum

Jhum jhum jhum jhum jhum.
