

Heads up yo... heads up yo...

Krazzy with a k... that's the way...

Say k...r...a...zee...zee...y

Do it anyway...just put the k...

In k...r...a...zee...zee...y

Break free gotta get some chhutti

Tod do deewaron ko..

Break free ab kholo mutthi...

Chheen lo duniya se more...

Break free gotta get some chhutti

Tod do deewaron ko..

Break free ab kholo mutthi...

Chheen lo duniya se more...

Heads up yo....

I don't play mild... i just go wild...

Like there's no tomorrow...

So get with me... and you will see...

Kya hai crazy deewano...

You gotta rule.. Yeh na tu bhool...

Ki tu hai cool oh yaaron...

Zara dil khol ke mujhko bol...

What's in your soul batado...

So if you wanna... yeah...yeah...

Dil hai deewana...yeah... yeah

One and two and three and four

Swing it with me doston...

Don't mess with me

Coz i'm crazy

Anything you say baby

That don't faze me

Can nobody stop me now

Cause i break free

Lets go wild

This world will kill....
Your beating dil...
Magar himmat na haaro
You got to prove
You got the groove
Zara taaqat dikhado

You gotta sing
And do your thing
Jo kehta dil wo gaao
Dikhake smile..
Show me your style
Churao dil hazaron...

Break free gotta get some chhutti
Tod do deewaron ko..
Break free ab kholo mutthi...
Chheen lo duniya se more...

Krazzy with a k... that's the way...
Say k...r...a...zee...zee...y
Do it anyway...just put the k...
In k...r...a...zee...zee...y.
