Migilunna ee sagame
Asale vinane vinadha

Manasemo ee nijame
Ipudaina nammakane
Marichena puvvunidhe
Thanane vidane vidadhaa

Ee yedabatu ne
Alavatuga chesedhela
Ee yedha vedhane
Nannu dhaatuthu poyedhela

Natho nene lene
Thanathonayina lene
Gunde aage telise

Gaayalevi leve
Pranalemo poye
Badhe lolo yegase

It's breaking my heart
It's breaking my heart
It's breaking my heart
My love

It's breaking my heart
It's breaking my heart
It's breaking my heart
My love

Ontare ika neevane
Needane telipe
Kantilo irukaindhani
Neerila kurise
