---

Ho charhdi kala te sda khair mangiye  
V12 engine utte chaorhe tyre mangiye  
Ho night out mange tu badami rangiye ni  
Asi yaaran naal dunia di sair mangiye

Ho bina giney purpose aaon jatt nu  
Teri umar niyani kiven jhallu satt nu  
Bhavein tu vi aa zaroori par pehlan yaar ne  
Jinna moddeyan te jana bas tin chaar ne

Ho taka dena ni kise da sirr mehna ni kise da  
Billo machre jawaak cheti pairi painge

Ho jinna chir moddeyan te sirr jatt de  
Yaarian de jhande jhoolde hi rehan ge  
Ho jinna chir moddeyan te sirr jatt de  
Yaarian de jhande jhoolde hi rehan ge

Karobar puchi javein das kiven samjhava  
Change marhe kamman vich pehle number te aavan  
Jyada bolda ni main rude dasdiyan naaran  
Jadon vehla hovan suna banda singh diyan waaran

Ni diney aa safayi na sawaal kariye  
Ya tan hath hi ni paonde ya kamaal kariye  
Ho bullan utte chupp mera paer race te  
Kise ton ni honi jo smile face te

Sanu yaarian di lor vekh dassi tor  
Khush kiven rehna vairi vi salaahan lainge

Ho jinna chir moddeyan te sirr jatt de  
Yaarian de jhande jhoolde hi rehan ge  
Ho jinna chir moddeyan te sirr jatt de  
Yaarian de jhande jhoolde hi rehan ge

Paake italy de jhagge ni main firan vattan te  
Kehre kehre lagge ilzaam jattan te  
Ho nafrat ego wale raah ni turey

Tan hi haley tak mitran de paer ni khure

Ho har din ankhan ton waari jaane aa  
Pind bethe ghodiyen nu chaari jaane aa  
Besharma da sar janda paa ke niviyen  
Dhaun sidhi rakhan da mull taari jaane aa

Navi lc chakki aa ik nukri pakki aa  
Ni jatt di charhayi saale kiven sehan ge

Ho jinna chir moddeyan te sirr jatt de  
Yaarian de jhande jhoolde hi rehan ge  
Ho jinna chir moddeyan te sirr jatt de
