Chali cz chat kad di paran nu
Der kadi gharo kad vadde saan nu

Fase ardiya de vail aaj pughne
Sah kayian de ne kili poune sukne
Chup vati bethe jatt ajj bukne
Hone chali dekhi modia to thukne
Chukne

Aaj aage aage vekhi dene la
Banerian toh rounda nal kaa dene da
Pehla thokida ae bacho asi mangi di salah

Na majhe aale jattan kade kiti parwah
Na majhe aale jattan kade kiti parwah
Na majhe aale jattan kade kiti parwah
Na majhe aale jattan kade kiti parwah
Na majhe aale jattan kade kiti parwah

Bahuta chancia ch ayi da na shohlia de
Phone kar na mandeer sadi rouleyan teh
Jehre naal hunde yaaran teh a maan pura
Kodi khedde tavitt banne douleyan teh

Kehnde nibrhe naberhe chnge masle
