BS Lyrics

Karta main move that's how we move
Pata nahi who's there kahaan hai tu?
Chal le le two steps sambhaal le tu
Fuck all the egos you got no crew

Rakhta nahi groups mein khandaani khoon
Akele chalta rappers kyun?
Bakte hain bullshit lag raha nahi cool
Check kar le aap phir kaise firzo
Aise sharp hoon lo ye ghaam phoonk
Sadak chaap hoon bole phate sharp hoon

Chhode tu tere crew saare suspect yeah
Meri style strategy chala rahe kab se hmm
Phir bhi mili nahi hai jagah jaise local waali transpo
Main aur mere homies maze le rahe peeche django

Stamps on my passport le le crash course
Kaise rehte fire waali cigarein hum behenchod
Highway nahi hai road ghar pe belt up and get whooped
Bina paise diye chhode aaunga on forbes

Seriously leta nahi koi main life is a joke
Main nahi hota is scene mein toh sab hote broke
Got no time for your bullshit
Asal mein laaye hum real shit
Nighttime solo ride pe main
Main de raha vibe can you feel this?

Kyunki main saalon se karta main move that's how we move
Pata nahi who's there kahaan hai tu?

Chal le le two steps sambhaal le tu
Fuck all the egos you got no crew

I don't give a fuck say main aaya hoon delhi gang
Jee raha best life mujhe lena nahi revenge
Phatti gaand yahaan laundon ki jab chalaata main pen

If i start toh phir tera yahaan ho jaayega the end

Chale bhaage nobody like me
Mere aate ho rahi tere ko anxiety
Tu dar kar main hoon scene mein yahaan phate hygiene
Rakha clean maine greens mere you know what i mean
Baby you know why

Karta main move that's how we move
Pata nahi who's there kahaan hai tu?
Chal le le two steps sambhaal le tu
Fuck all the egos you got no crew

Rakhta nahi groups mein khandaani khoon
Akele chalta rappers kyun?
