

Wau wao wao
Wau wao wao

Mere dil ki baato me,
Meri hi saaso me
Ek teri yaado ki ye jo kahani hai
Kase batu mai kya samjhau mai
Ek teri chahat se dil mera dhadka hai

Mere dil ki baato me, meri hi saaso me
Ek teri yaado ki jo kahani hai
Kase batu mai kya samjhau mai
Ek teri chahat se dil mera dhadka hai
Tujh ko lagata hai mere lab pe
Tera naam nahi
Ho tu kya jaane mujhe
Iss ke siwa kuch kaam nahi
Mera dil ye kabutar bole
Tere aage pichhe dole
Hai pyar ki entaryo par tu aaja hole hole
Ek main jawan baki sab buddhe sab buddhe
Ek dil jawan baki sab buddhe sab buddhe
Ek main jawan baki sab buddhe sab buddhe
Ek dil jawan baki sab buddhe sab buddhe

Dekho jara ladki hai ya bala
Jo dekhe usko ho jaye fida
Dil mujhko de aur jaa bhi mujhko de
Rab se karta hu mai yahi dua
Teri aakho ne pagal kiya, pagal kiya
Oo ho, teri hi aahat se dhadka jiya
Saaso ki sargam se sine ki dhadkan se
Teri wafao mai chalti jawani hai
Kase batu mai kya samjhau mai
Ek teri chahat se dil mera dhadka hai
Tujh ko lagata hai
Mere lab pe tera naam nahi
Ho tu kya jaane mujhe iss ke
Siwa kuch kaam nahi
Oye tere jhumke lal gulabi

Oye sexsi chal sharabi
Ha mere hawale kar de
Iss rup nagar ki chabi
Ek main jawan baki
Sab buddhe sab buddhe
Ek tu jawan baki
Sab buddhe sab buddhe
Ek main jawan baki
Sab buddhe sab buddhe
Ek tu jawan baki
Sab buddhe sab buddhe

Wo jane jaa dil ki hai sada
Ho mil ke phir kabi na juda
Ek duje mai kho jaye iss kadar
Ki dur na kar paye khuda
Teri hi baaho me nikale ye jaan
Tujhse shuru aur khatam ho dono jaha
Teri jo chahat hai rab ki ye nayat hai
Teri ibadat me sajde mai karta hu

Tujhe karti hu mai handsi
Mera wait karo tum thoda
