

Built Different Lyrics

Gaane saadeyan guttan ch sarkari bajjh gaye
Tu phirdi gale ch baahan paun de layi
Aje tainu sohniye ni time lagna
Choorā mittran da baahan vich paun de layi

Oh sidhi yamraj naal deal chaldi
Vairiyan nu narak pachaun de layi
Built hoye aan different jattiye
Landuan de kamm khadkaun de layi

Oh pakka teri nagni te jatt laggeya
Khawaan kade-kade mood jeha banaun de layi
Unjh main s#taank kol rakh chhad da
Mittran de shakan-shikaun de layi

Bulletproof chadran nu bedhda
Rakhya ni show jeha karaun de layi
Ikk hi bathera gera tere town ni
Allhadan de dil tadpaun de layi

Oh pittal marhuga body vich ni
Jadon yaar chhaduga shareer ni
Oh anakh milungi jiyonde jatt 'ch
Jaagdi hoyi milungi zameer ni

Pinde utte chhaviyan de takk ne
Bharatlyrics.com
Dilan vich jatt de na khot ni
Oh temper da thora jeha short aan
Unjh tainu love you a lot ni

Oh tere sir aave ilzaam na koi
Kayi baithe yaar nu fasaun de layi
Bade ithe mittran de gale lagde
Vakhi vich k#rchan lagaun de layi

Gaane saadeyan guttan ch sarkari bajjh gaye
Tu phirdi gale ch baahan paun de layi
Aje tainu sohniye ni time lagna

Choorā mittran da baahan vich paun de layi

Naaran pichhe na khediye siyasatan
Masle m#zailan de aa hor ni
Manne dil seene ajj kambde
Challe 45 jadon bore ni

Unjh taan faraakh dil jatt ne
Koni bolni di aa samasya
Tu munda bhinderan da pattne layi jattiye
Utton sukhdi phire ni panj maasiyan

Hook line bina geet hit karde
Duniya 'te naam chamkaun de layi
16 saal pehle hi si bahar likhte
Naveyan javaakan nu sikhaun de layi

Gaane saadeyan guttan ch sarkari bajjh gaye
Tu phirdi gale ch baahan paun de layi
Aje tainu sohniye ni time lagna
Choorā mittran da baahan vich paun de layi

Oh sidhi yamraj naal deal chaldi
Vairiyan nu narak pachaun de layi
Built hoye aan different jattiye
Landuan de kamm khadkaun de layi

Oh pakka teri nagni te jatt laggeya
Khawaan kade-kade mood jeha banaun de layi
Unjh main s#taank kol rakh chhad da
Mittran de shakan-shikaun de layi

Built hoye aan different jattiye
Landuan de kamm khadkaun de layi
