

Bukhaar Lyrics

Girl you got me so addicted
Love on me don't keep a distance
Want you close i don't care what they say
Got this feeling but i can't resist it

Call on me anytime you need me
I'll be right there in a jify
Take me to the other side
Other side

Mera pehla aur aakhiri pyaar ban jaa
Aisa yaara mera tu bukhaar ban jaa
Mera pehla aur aakhiri pyaar ban jaa
Aisa yaara mera tu bukhaar ban jaa

Baras ja saawan ki banke jhadi mujhpe
Chuu le mujhe yaa hawaon ki tarah
Teri kami hai jo tumse poori hogi
Lag ja mujhe yaara duaaon ki tarah

Chad jaaye sar ko vo khumaar ban jaa
Aisa yaara mera tu bukhaar ban jaa

Oh fire
Shorty hot her body a burning fire
And the way she move she be causing yawa
Anytime we make love we making
Fire fire fire fire fire

Oh fire
Shorty hot her body a burning fire
And the way she move she be causing yawa
Anytime we make love we making
Fire fire fire fire fire

Lele tu mjaa meri kachi angdaayi kaa
Kangan ban jaa meri gori kalai kaa
Dil lgaa mera tujhse umar lagay meri tujhko
Mai toh teri hogyi apna bnaa le mujhko

Girl you got me so addicted
Love on me don't keep a distance
