---

Killa thokna vi aunda kanda karh vi layida  
Gussa charh vi laina gussa karh vi layida  
Bade goat main banaye goat chabh vi layida  
Bharatlyrics.com  
Kithe arh je garari jhanda karh vi layida

Tere jaan pichon kudiyaan taan lakh miliyaan si  
Assi dulle hi nahi dulle hi nahi

Mittran ne badiyaan de dil lutt laye  
Ni lutte bulle hi nahi oh kalle bulle hi nahi  
Mittran ne badiyaan de dil lutt laye  
Ni lutte bulle hi nahi

Phatte dinde chakk ne chakk ne chakk ne chakk ne  
Mittran de katth ne katth ne katth ne katth ne  
Manon jehre latth gaye latth gaye latth gaye latth gaye  
I don't give a f#ck ne f#ck ne f#ck ne f#ck ne

Oh zabardast kirdar nahi oh vikde ni  
Pair rakhaan os de jithe vairiyaan di hikk te ni  
Ni sitt te main sitt te sitt te thalle sitt te  
Ni aise gallon pittde pittde kude pittde

Mittran da naam tera saara shehar jaanda ni  
Gabhru punjab ton aa kehra jo pachhaanda ni  
Ni dull dull jaan naaraan taur meri gaddi utte  
Ghori vairiyaan di par gijji meri addi utte

Dikki khol gaddi di vikhavaan tainu asla ni  
Tinn sau pantali rakhe de ni naal raflaan ni  
Chakk laani chakk la sau mittran di chakk laani  
Dass khaan tu akkh naal nabehr dange masla ni

Sanjh yaaraan naal billo saade dilaan di ni  
Sanjhe kalle chulle hi nahi chulle hi nahi

Mittran ne badiyaan de dil lutt laye  
Ni lutte bulle hi nahi oh kalle bulle hi nahi

Mittran ne badiyaan de dil lutt laye  
Ni lutte bulle hi nahi

Like infinite stonin pace  
Sacrifice announce so in the future they'll be lovin space  
But when the pressure show up give me your good escape  
But it ain't nowhere to go i take the steps i could have weighed

Kehra lajawab shaandar bemisaal ni oh  
Lafzaan ton utte uttheya kirdar ni oh  
Yaar jithe kharh gaye te ban gaya pahaar ni oh  
Aidan rahiye gajjde jivein sher di dahaar ni

Dukki tikki sir te na charhaan devaan  
Oh banda oh puraana vatt te na kharhaan devaan  
Thanda kivein kar lavaan sohniye blood nu ni  
Ni main taan kude chaa vi na tharaan devaan

Naam gabhru de naam naal jani khani jorhdi ni  
Jatt di shakeeni jaave sachhe pyar torhdi ni  
Remington satt sau te chhuttdi aa hatthon ni  
Jadon kude challdi te jaandi khappe kholdi

Bhed jugnu de jatt ohi jaande  
Te saareyaan naal khulle hi nahi khulle hi nahi  
Mittran ne badiyaan de dil lutt laye  
Ni lutte bulle hi nahi oh kalle bulle hi nahi
