

## Bullet Song Lyrics

---

Nee kitta vanthu ninna  
Heart beatu speed aaguthu  
Nee thottu ethum sonna  
En bloodu sudaguthu

En bikeil nee okantha  
Brakeu vehnamguthu  
Nee ennoda rideku vantha  
Red singal green aaguthu

Come on baby let's go on the bulletu  
On the wayla paadikkalam duetu  
Come on baby let's go on the bulletu  
On the wayla paadikkalam duetu

Hey twenty twenty matchah  
En travel thrill aaguthu  
Tournamentu cupah  
Un kissu jill aavuthu

Busu lorry caru  
Adhu ellam semma boreu  
Namma bike paaru  
Adhu rendu wheeluu theru

Come on baby let's go on the bulletu  
On the wayla paadikkalam duetu  
Come on baby let's go on the bulletu  
On the wayla paadikkalam duetu

Highwayyila pogum podhu  
Ice cream parlourla nikkalam  
Oh kulfie vangi selfie pottukalam

Tomorro wae illa pola  
Today naama suththalam  
One day ila world ye paathidalam

Midnigha aana kooda  
Namma head light oda polam  
Adi helmet trendah maati
