

Bum Baa Diga Diga Lyrics

Bum baa diga diga
Bum baa diga diga
Bu bu bum baa diga diga

I came in with the pressure on
Too much weight still i move on
White hair on the dashboard blow
But i keep my face cold

You talk big but you fall flat
I don't think i just run that
Whole room shift when i step through heavy a lot
When i go through

You talk big but you fall flat
I don't think i just run that
Whole room shift when i step through heavy a lot
When i go through

Bum baa diga diga
