

Bumm bumm, bumm bumm bole  
Bumm bumm, bumm bumm bole  
Puchh le kya dil tera chaahata hai  
Aasmaan se phir tu woh maang le  
Kyun sitaaron ka hi tu sochata hai  
Kar tamanna udake tu chaand le  
Harj kya hai kyun khud ko rokata hai  
Pal pal mein hai  
Chhupi tu khushiyon ko jhaank le  
Bumm bumm bumm bumm bumm bole

Yeh safar kat jaayega yuun hasate hasate  
Raah phir dikhlaayegi tujhako raste

Meherbaan hai waqt kar manmaaniya bhi  
Maaf hai maasum teri galatiya bhi
